Refer a Friend

How would you like to get \$100 for helping a friend get a car?

We appreciate our customers and are happy they want to refer their friends and family to us when they are looking for a clean, reliable used car with a low down payment. We work hard to make your buying experience hassle free and are pleased that more than half of our buyers are repeat customers or referrals.

To show our appreciation for your business and your referrals, we offer a Referral Rewards program that **pays you \$100 cash** for every customer you refer to us who buys a vehicle. If you have a friend or family member with credit problems who needs a dependable used car and an affordable down payment, tell them to let us know you referred them. After they purchase a car, truck, van or SUV, come by and pick up your money.

It's that simple and there is no limit to the number of referrals you can make or the rewards you can earn.

Time for Another Vehicle?

When can I trade for another vehicle? This is a common question we get from customers. We are pleased that a significant part of our business every month is from repeat customers.

The best thing is to bring your vehicle to any Easy Auto store when your account gets down to about \$3,000. This way, they can appraise your vehicle and give you an idea if you can trade now, or if you need to pay down the balance some more first.

Of course, if you have additional cash to put down with your trade-in, you will be able to trade even faster.

Also, many customers utilize Reward Points from our Easy Rewards customer loyalty program to qualify for a price reduction. All customers will save between \$300 and \$1,500 off the price of their new vehicle under this program.

Please take a moment and view our great selection of quality pre-owned vehicles at one of our 5 locations
